RAGE IN THE NEW YEAR

Merging hardcore guitar riffs, riot grrrrl/screamo vocals and frantic, post-punk rhythms, **Super Unison** earns high marks for pulling off what could easily have been a train wreck. The band's excellent new album, *Stella*, channels a half hour of angst and aggression into pure catharsis. They play **Naked Lounge** on **Monday, Jan. 14**, with Chicago's excellent post-hardcore outfit **Slow Mass** and Chico punks **Dying for It**.
