

What's your guilty pleasure?

Devin Scouten

Buying makeup and makeup brushes when I have the money. You can never have too many makeup brushes. I have a Harry Potter set where all of the handles are different wands.

Preston Manrao

Being way too into tasting beer. My favorite is a really nice classic West Coast IPA.

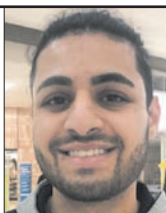

Evelyn Navarro

Audible books. I listen to them in the car, in the house with my headphones on while cooking and cleaning. I don't have the luxury of sitting and reading, so it is the best of both worlds.

Eric Guerrero

My guilty pleasure is probably watching videos online. I like to watch soccer compilations. I like watching the trick shots the best.
