## Exceptional Clinical Outcomes

Our achievements in advancing technology, developing proprietary techniques and providing an exceptional patient experience have resulted in superior clinical outcomes which have led the Institute to be ranked among the nation's top performing Centers in knee and hip joint replacement.

## More Experienced Team

With over 25,000 surgeries combined, Drs. Ryan Moore and John Diana are regarded as foremost authorities on minimally invasive surgical techniques.

## Proprietary Techniques

We use proprietary surgical and pain techniques to minimize post anesthesia side effects and improve clinical outcomes. This means patients experience less pain and are mobile the same day.
