FREHLEY'S COMET

Paul Daniel "Ace" Frehley comes to **Feather Falls Casino tonight (Jan. 24)** for a dose of no-frills, knock-it-out rock 'n' roll. A self-taught musician, The Spaceman was KISS' original lead guitarist until 1982 and did another run with the band in the late '90s. Along with original drummer Peter Criss, Frehley finally left the band in frustration after their infamous Farewell Tour. You'll hear some KISS classics as well as solo material from the Rock & Roll Hall of Famer.
