Lewis Johnson

Owner

Butte View Olive Co. and Stella Cadente, two wildly popular olive oil labels that serve cooks across the nation, are produced right here in Oroville by Lewis Johnson and his family.

It all began in 1935, when Johnson's grandfather first began farming the 150 acres of olive trees that they still have today. In 1999 Johnson produced the first bottle of Butte View olive oil after three years of fine-tuning his process.

Today, Butte View produces a wide variety of extra virgin olive oils infused with flavors including: jalapeño, garlic, basil, lemon, lime, blood orange and rosemary. These pure, light and delicate hand crafted oils provide wonderful aromas and distinctive accents

to any dish making them truly unique and excellent – just one more reason why these olive oils are "Gold" and "Best of Class" medal winners.

Mr. Johnson welcomes you to come experience California sunshine in a bottle!

Available in Chico at Maisie Jane's, Made in Chico, and S&S Produce, in Oroville at Collins & Denney Market, Wagon Wheel Market, and in Paradise at Noble Orchard in 250ml and 500ml bottles.
