Bettie Page, because of her sex appeal and her pin-ups. I first got into her when I was a teenager. She's hot and there needs to be more women like her.

teacher

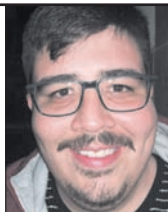

John McLaughlin in his Mahavishnu Orchestra. [He] is an incredible guitarist. It was a great time in the '60s and '70s to listen to his music.

Devon Johnson
student

Rihanna, because she's very business-minded and one of the powerful voices in the music industry. I especially like her song "Umbrella."

Natalio Plascencia
student

Jessica Simpson, because she's petite and has a nice body. I first got into her when I saw the trailer for her movie *The Dukes of Hazard*, where she wore the short shorts. She was pretty badass in that one.
