OJOS DEL SOL

Y la Bamba rolled through town in July, and by all accounts the show at the Big Room was mesmerizing, emotional and transcendent. Luz Elena Mendoza reignited what was previously a full band as a solo project in 2016 to explore her dual identity and accept herself as a Mexican-American. Her beautiful, bilingual vocals lift up plaintive and expressive folk tunes on her acclaimed brand-new album, *Mujeres*. See her perform with **Lo & Behold** on **Wednesday, Feb. 13, at Argus Bar + Patio.**
