Rape Crisis Intervention & Prevention

Adults who experienced sexual violence as a child are not alone. No matter what, the abuse was not their fault.

Adult survivors live with these memories for a long time. Some survivors keep the abuse a secret for many years. Often when people are in recovery, experience partner abuse or if their perpetrator dies, all of these unwanted feelings come flooding back. They may have tried to speak to an adult or felt there was no one they could trust when the abuse occurred. For these reasons and many others, the effects of child sexual violence can occur many years after the abuse has ended. There is no set timeline

for dealing with, and recovering from, this experience.

If someone you care about suffered sexual violence as a child your reaction can have a big impact on the survivor. It is not always easy to know what to say, but you can help the healing process begin.

Rape Crisis intervention and Prevention is the perfect resource and are always there to help and listen.

Christian & Johnson Floral & Gift

Christian & Johnson started as a nursery in 1907 by one of Annie Bidwell's gardeners, Mr. F.G. Peterson. Originally located along the banks of Lindo Chanel, C&J was relocated to Vallombrosa Avenue in 1913. Senator Ray Johnson and his wife, Lorraine (Christian) Johnson, purchased the business in 1948, and gave it its name. Current owner Melissa Heringer was hired as a designer at C&J in 1998, and purchased the business in 2005, where she is proud to be carrying on such a great 'Old Chico' tradition. In 2018, the historic business was relocated into its current location, a beautifully renovated 1940's Chico home, at the corner of East 1st Avenue and Neal Dow Avenue.

The design team at Christian & Johnson is experienced, creative, and focused on maintaining a high standard of quality. In addition to the Floral Shop, C&J has an outstanding Gift Shop that carries a wide selection of gifts, decor, seasonal items and greeting cards.

Feel free to stop by Christian & Johnson to browse their beautiful shop, smell the flowers, enjoy the free gift-wrapping, and get inspired.

Thank you, Chico, for over a century of business!
