"As far back as I can remember, I always wanted to be a gangster," from *Goodfellas*—because I love gangster movies. They're legit [and] fun to watch.

Albany Coyle
student/artist

"Of all the gin joints in all the towns in all the world, she walks into mine." It's from *Casablanca*, and it's relatable if [I] substitute "she" with "he."

Jamie Greenberg
claims adjuster

"I'm your huckleberry." from *Tombstone*. It's Val Kilmer's character who plays Doc Holliday. He's telling [the Johnny Ringo character] if he's able to shoot [Holliday first, he's] the better gunfighter, and nobody beats Doc Holliday.

Gumaro Alvarez
unemployed

"Get away from her, you bitch!" from *Aliens*. Sigourney Weaver is being a badass and protecting the girl.

All They Will Call You is the harrowing account of "the worst airplane disaster in California's history," which claimed the lives of 32 passengers, including 28 Mexican citizens—farmworkers being deported by the US government. Combining years of painstaking investigative research and masterful storytelling, award-winning author Tim Z. Hernandez weaves a captivating narrative from testimony, historical records, and eyewitness accounts, reconstructing the incident and the lives behind the legendary Woody Guthrie protest song "Deportee: Plane Wreck at Los Gatos."
