

# What makes you special?

**Asked at Chico Mall**

I am special because I am 77 and I am happy every single day, even if I have some health issues. I've learned over the years to be grateful with God to be 77, and have a wife for 53 years.

My three beautiful children make me special. They are 7, 4 and 15 months. They bring so much light into my life. They give me reason and purpose, even when I don't want to keep going. They love me and I love them.

I'm a very adventurous person for a single lady. I worked 15 years in Alaska, just got back from Hawaii last week, worked in Petaluma this week, and I'm heading to San Francisco tomorrow. I like the different environments.

I have an extraordinary amount of patience. I was able to make it through 70 years of everything and still be relatively sane. I'm patient with anything except ignorance.
