

SEXUAL VIOLENCE HAS NO BOUNDARIES

All Gender Identities, Races, Ages, Social Classes & Ethnicities are Affected

- 1 in 5 women will be raped in their lifetime
- Nearly 1 in 2 women and 1 in 5 men experience sexual violence victimization other than rape at some point in their lives
- Intimate partner sexual assault and rape are used to intimidate, control, and demean survivors of domestic violence
- Intimate partner sexual assault is more likely than stranger or acquaintance assault to cause physical injury
- 40-50% of women in abusive relationships will also be sexually violated during the course of the relationship
- 18% of female survivors of spousal rape say their children witnessed the crime
- Only 1 in 10 report being sexually violated. Marital rape is the most under-reported form of sexual assault.

KNOW YOUR RIGHTS

about sexual assault. If you, or someone you know, has been sexually assaulted you can receive a free forensic medical examination, regardless of whether or not you choose to participate in the criminal justice process.
