

# Where are you going?

**Asked in downtown Chico**

**Alyssa Medina**  
student

I'm going home to study since it's "dead week," and I'm dying. Teachers think they can give me 20 assignments this week when finals are next week. So, my pile of homework is a little high.

**Spider**  
cook

I'm going to the DownLo. It's my buddy's birthday, so I'm going to grab a pint of beer, take a shot of whiskey and help him celebrate.

**Amanda Shaw**  
homeless

I'm going to spend a little time downtown with my boyfriend. Then we're going to go up into Bidwell Park, hang out for the night and spend some quality time together.

**Timothy Gerdes**  
personal growth

Going around in circles, doing my daily walk. I mingle with the crowd to see who's going to be more receptive to the community and who's kind of "eyes wide shut" and "ears wide shut"—apart from the community.
