I really want to continue reading [the] *A Song of Ice and Fire* series by George R.R. Martin. They are the books that *Game of Thrones* is based on. I really want to read them since the *Thrones* show just ended and I wasn't super happy with the ending.

Anything [by] Jonathan Kellerman, who writes the Alex Delaware series. It's about a forensic psychologist who works with a detective in L.A.

Right now, I have a book called *Princesses Behaving Badly*, by Linda McRobbie. And, of course, *Harry Potter*, which I read to my son every night.
