

What's your dream job?

Asked at Chico Bicycle Music Festival

Earl Hallett
housekeeper

It would be nothing. I would love to get paid to sit around for eight hours doing nothing. You couldn't Facebook, you couldn't tiddlywink, you'd just have to do nothing for eight hours.

Roberto Pomart
home health aid

I would like to go around the world sampling street food as a traveling food show host.

Amy Yurus
self-employed

The one that I have now. I'm a yoga teacher and a massage therapist. So every day at work I get to spread the gift of stress-reduction and relaxation. I love my life and love my work.

Curtis Zwinger
interior plant decorator

I'd like to be in charge of communication and getting everyone together and talking so everything would work—helping everyone communicate to make the world a better place.
