JOHN DAHLMEIER OWNER

The insurance business has changed dramatically since Dahlmeier Insurance Agency first opened its doors in Oroville in 1948.

The family owned and operated business has grown and prospered by adhering to the same core values it began with 71 years ago when John Dahlmeier's dad, Hal, and his uncle Ed were running it.

"Old fashioned customer service never gets old" John says. "We continue to hear from new customers that tell us one of the main reasons we earned their business is because we were the only ones to respond to their inquiry in a timely manner"

With a commitment to the professional development of its employees and embracing the tools of developing technologies, the company has combined the past and the present to chart a bright future.

The agency remains independent, selling a range of policies—residential, commercial, automotive, health, life, etc.—from a variety of companies.

SANDI BAUMAN REALTOR® CHICO HOMES

Sit down. Let's talk real estate.

Sandi Bauman of Chico Homes uses this mantra because she believes listening to her clients is key to getting them exactly what they're looking for.

Why choose Sandi to be your real estate agent?

It's simple...she has consistently performed within the top 1% of local realtors, has sold over 1,200 properties in Butte, Glenn and Tehama Counties, and was voted Realtor of the Year in 2018.

Integrity, unstoppable work ethic, honest communication and a desire to continuously improve are the hallmarks of the Sandi Bauman Team. Clients see results as their needs are addressed and their problems solved. Exceptional service is given to each and every client they represent.

Local home inventory levels fluctuate often, as we saw during the Camp Fire, and can make buying or selling a home difficult. It's not an

easy market to navigate! If you're in the real estate market you need a knowledgeable realtor capable of reading the local market to get you the very best deal. Sandi Bauman is that agent!
