TERESA LARSON

**REALTOR®
DOUBLE CENTURIAN**

For years Teresa Larson has worked hard to provide Quality Service to all of her clients. This has always been one of the many things that she strives for, as well as the level of heartfelt caring for each person and each home that she is involved in.

Real Estate changes continuously due to so many factors, for example this past year due to the Camp Fire. No one would ever had thought that something like this would happen to the degree that it did. Our market changed over night. As many of the people have found out, the prices have risen due to supply and demand. It is hard on Agents as well as Buyers to have this change. We don't set the market. The market set's itself by what is a buyer willing to pay for a home and that then changes the prices. It's been hard on everyone to be in such a competitive market.

Teresa has been able to assist many of the Camp Fire Victims and her heart goes out to all.

In the ever changing world of Real Estate, the one thing that should always remain as a constant is that Buyers and Sellers should have an Agent that cares about their needs, provides Quality Service, knows the market, works well with others and is a professional.

DEANNA MCCOY

ACA, BC-HIS
***AUDIOPROSTHOLOGIST,
BOARD CERTIFIED HEARING
INSTRUMENT SPECIALIST &
HEARING AID DISPENSER**

As owner of Chico Hearing Aid Center, Deanna McCoy proudly carries on the tradition of a family owned local business that has been "Changing Lives Through Better Hearing" since 1949.

Deanna and her staff are focused on helping people enjoy the best hearing possible, which is why she offers the unique no deposit Try-Before-You-Buy program. This allows people to wear hearing aids adjusted to their needs in their normal environments to see how beneficial hearing aids can be, before they invest money in a purchase.

As a Certified Audioprosthologist*, Deanna McCoy has completed a comprehensive course of upper level education in hearing instrument fitting, which far surpasses state requirements. She is active in state professional associations and continually

invests in additional education to stay at the forefront of her profession.

With many technological advances, hearing aids have become more discreet, more sensitive, and more effective. There are also more options. After a thorough evaluation to see how you can benefit with hearing aids, and a lifestyle needs analysis, Deanna can find the right solution for each person.

CHICO DENTAL ARTS

DR. CYRUS OSTER, DENTIST
DR. DAVID KYLE, DENTIST

We love being able to change patients lives by giving them confidence with a radiant smile! Cosmetic & General dentistry has come a long way and today, is very affordable thanks to advances in both technology and dental techniques BOTH of which Chico Dental Arts brings to each and every patient.

Dr. Oster & Dr. Kyle are compassionate, experienced dentists whose office provides cutting edge technology such as 3D imaging, same day crowns, implants, periodontal services whitening, dentures, clear braces, veneers and more.

One of the biggest benefits of Chico Dental Arts is that there are two of Chico's top dentist's in one location. Dr David C. Kyle DDS and Dr. Cyrus G.

Oster DDS are both graduates of the prestigious Loma Linda University School Of Dentistry graduating in the same dental class. They are both avid mountain bike racers and "enjoyed competing in 24 hour mountain bike races together" after graduation. They are compassionate and apply the professionalism and expertise you would expect from Chico's favorite dental group.

Both doctors grew up in the business, as they have "family in the dental field" says Dr. Oster. Dr. Kyle, a Chico native and Graduate of PV High School adds, "My father is a dentist, my mother is a dental hygienist. We are a dental family".

Whether you are looking for cosmetic procedures or

general dental services, look no further than Chico Dental Arts. We provide quality dental services in Chico. Our experienced dentists offer a wide array of dental care services. Our well-trained staff is committed to providing exceptional dental care in a friendly atmosphere.
