**LET'S  
PLANT!**

**CAPE MYRTLE**  
*Lagerstroemia indica*

Crape myrtles offer the powerful triple  
allure of brilliant summer blooms,  
beautiful bark, and vivid fall color.  
Grown as single or multi trunk trees  
or shrubs, they thrive in the heat and  
sun, come in an array of bright colors  
and are drought tolerant.

Plant • Bloom • Repeat
