

# Where's the best place to eat?

**Asked at Saturday Farmers' Market**

**Katie Bailey**

I would recommend Ojiya, which is a sushi house. I love it because the staff there is super friendly and the food is delicious. There's also a hibachi grill, but we go there for sushi.

**James Brock**

My own garden, because I get to eat all my different foods. But if I come to town, I like to go somewhere that sells my food, which is Grana. Jeff is a great chef for them. He puts a lot of thought and energy into what he does.

**Shannon Singer**  
fitness coach

Nobby's, because they have the best cheese skirt around, and their fries are bomb.

**Jim Monaco**  
retired lecturer

My home, because both my wife and I love to cook, and after 36 years together we've gotten good at it. The cost is better, it's more convenient and all my friends can gather around.
