

What's your favorite style of beer?

For the most part, I'd have to say IPA, but it definitely depends on the mood that I'm in. It does vary a little bit. I love big hop profiles, I love bitterness. I think it's also one of the most versatile styles out there.

Single IPAs. [I like] the hops, the aromas and the flavor. [Tonight] I'm drinking Secret Trail's 'Bout It 'Bout It [double IPA].

Pilsners, I think. They're lighter beers—not the heavy beers and dark beers. They're smooth. Here I always get [Revision blonde ale]. We come here at least once a week.

Hazy IPAs, because I was hungover the first time I tried one, and it immediately started to cure my hangover at a show I was playing. There's something about it—I don't know what it was.
