

Community Action Agency of Butte County, Inc.  
Helping People. Changing Lives.

CELEBRATING **50** YEARS OF SERVICE  
1967 2017

Here at the **Community Action Agency of Butte County**, our mission is to provide hope to people struggling with poverty to help them become more self-sustaining. We do this by meeting the tangible needs people have in the areas of affordable food, energy savings, and housing. We have a federal mandate to alleviate the causes and conditions of poverty by whatever means necessary in our community, and all of our programs and resources are focused on fulfilling that mandate.

*We strive for a better tomorrow.  
Collaborating with our  
community helps us achieve  
our vision of Helping People  
and Changing Lives.*
