GROATIAN DANCE PARTY

"Gypsy punk" is a term that might be best defined not by describing the musical style—a mix of Eastern European Romani folk music and high-energy rock—but rather by pointing to the bands that make it. One look at the carry-meets-sideshow-performer aesthetic of bands like Gogol Bordello and **Diego's Umbrella** tells you that you're in for a wild night when they hit the stage. The latter will be whipping up the crowd at **Lost on Main** this **Saturday, Sept. 28.** Drink plenty of fluids and get ready for a long night of sweaty fun.
