# All the Charm you Expect!

**ABSOLUTELY ADORABLE** 2 bedroom dollhouse on a gigantic lot! All the charm you'd expect in a vintage home: Re-finished wood floors, arched doorway, built-in hutch, huge front porch, and a private patio under a canopy of trees. But this charmer has also been brought up to date with new roof, dual pane windows, paint, electrical, fixtures, appliances, remodeled bath, ceiling fans, skylights, mini blinds, and more! Truly the best of both worlds! And the kicker is the 225 ft deep lot complete with green waste area, raised beds, and fabulous west side soil. This darling avenues neighborhood is semi-secluded yet conveniently close to Enloe and CSUC. **\$289,950**
