

# Is Trump going down?

Asked in downtown Chico

**Ethan McEnroe**  
veterinarian

No. I feel like he deserves to, but he's already done things that are more scandalous than this. He hasn't gone down for those, so I doubt he'll go down for this.

**Stephanie Fregoso**  
social worker

I actually don't think so. I believe he still has quite a bit of support, and I think he might even be able to get re-elected, to be honest.

**Matthew Davis**  
food industry supervisor

I would hope so. I feel like it's a little late in the term, but I hope he gets what he deserves.

**Michael Swindle**  
student

We've got a whole year until the 2020 election. Anything can happen between now and then, and scandals can be forgotten, even a potential impeachment. So, I can't say he's going down just yet.
