

# What's your Halloween costume idea?

Asked in downtown Chico

Having a group of us dress up in monochromatic colors. You can use any costume design, but it all must have matching glasses, shoes, etc. Everything would be just one color.

**Terry Strasser**

I'm going to be an alien space nerd. Green face with Spock ears, an ill-fitting suit with a calculator. All things stereotypical of your Steve Urkel-type nerd.

**Cloey Wallingford**

Like a serial killer, but not what you think. You put cereal boxes all over yourself, then you stick forks and knives through them. So you're a cereal killer.

Pennywise the clown, from the movie *It*. It's such an awesome costume idea for Halloween, and it's very evil looking.
