My hope for the new year is that we will have as positive an election season as possible, and have a new president who cares about people's welfare.

To create leisure time and get some rest and sleep this year. It's been an uphill [climb], so I hope to find a plateau and sink in a little.

Give the Gift of Literacy

By 4th grade students are transitioning from learning-to-read to reading-to-learn. Over 60% of 4th graders in our community (and nation wide) do not read at grade level¹. Statistically, 2/3rd's of students who are not proficient readers by 4th grade wind up in jail or on welfare².

Thanks to Reading Pals volunteers, students enrolled in our program **QUADRUPLE** their literacy learning rate, gaining 1 full year of literacy skills in just 4 months in the program.

1 hour a week reading with a community volunteer changes a students life FOREVER! Do you have an hour to spare?
