Share Today. Shape Tomorrow.

### What is the Foster Grandparent Program?

Foster Grandparents are volunteers who provide support in schools, afterschool programs, preschools, and child care centers in Butte and Colusa County. They are role models, mentors, and friends to children, focusing on literacy, mentoring, and school readiness. If you are 55 or over and want to stay active by serving children and youth in your community, you have what it takes to be a Foster Grandparent. Foster Grandparents serve 5 to 40 hours per week. Volunteers may qualify to earn a tax-free, hourly stipend. You'll receive pre-service screening, orientation, placement at your volunteer station and monthly training.
