A COUNTRY LIFE

For many successful country artists, their histories are filled with as much pain and heartbreak as glory and artistic success, and **Wynonna Judd** proves the rule. Both with her mom in The Judds and as a solo artist, she's had one of the most successful country music careers, and along the way she's had more than her share of hardships—addiction, divorce, family strife and legal troubles—to draw from for her art. Since the release of *Wynonna & the Big Noise* in 2016, she's been performing with the band of the album's title, and Judd and the group visit **Gold Country Casino** this **Saturday (Jan. 18).**
