

## Farm Star Pizza

Local, Seasonal, Organic! Where the Farmer is the STAR!

Artisan Pizzeria featuring locally sourced, non gmo and sustainably raised produce, dairy and meats wherever possible

When Chef Tim & Kitty Sullivan came on the eclectic Chico restaurant scene, they knew that serving great food in an inviting atmosphere was important; but basing their menu on local, sustainable offerings is really what sets them apart. Chef Tim sources the menu locally and seasonally, utilizing the amazing array of local products grown here in Chico.

Please let their friendly staff Wow you with their selection of artisan pizzas and small plates, freshly prepared salads & house baked desserts. They offer a selection of craft beers on tap as well as a selection of wines, ciders, kombucha and more.

## Scott Selig + Erik Palo, OWNERS

The customer comes first. That has been Selig's philosophy since they completed their very first job in 1995. Today, tens of thousands of projects later, Selig Custom Construction's primary goal is still to provide 100% customer satisfaction on every installation. They understand that home improvements are a big investment, so they help you make the most of every dollar by offering the top-rated products at the best possible prices.

They do the research to find the windows, tubs, and siding with high-performance features that will save you money and last a lifetime. When you choose Selig Custom, you can be sure you'll get quality products and flawless installation—they guarantee it! They are your Northern California and Southern Oregon's Window, Siding, and Bathroom Specialist!

Their highly trained experienced team offers several home improvements:

- Walk-in tubs/showers/tubs
- Doors & Windows
- Siding
- Back-up Generators

Their commitment to quality has earned them many accolades. They're proud of these awards because they show that they're providing the high level of service and quality that every one of their customers deserves.

## Robert Fanno

**OWNER**

Robert Fanno is the third generation of Fannos at Fanno Saw Works. Fanno Saw Works sees a wide variety of customers: gardeners, utility companies, municipalities, large and small companies, and people working in forestry and agriculture. All of their customers depend on Fanno's quality of service as well as knowledge of the services and equipment they sell.

Robert says, "I'm very proud of our original designs and tools. I'm very proud of our innovations using newer available techniques with the Fanno-International line of tools." They were the first to develop and manufacture this type of tool. With Fanno tools, you will feel the quality of the materials and the balance as well as the attention to detail.

Fanno remains flexible in following product trends and being open to customer suggestions while maintaining a one hundred-year tradition of quality.
