

# If Leap Day were a holiday ...

**Asked in downtown Chico**

**Matthew Solone**  
student

I would spend it boating on the lake with my friends—go wakesurfing and wakeboarding. Being with the guys on the water and in the sunlight is something you just can't replicate anywhere else.

**Taylor Hobson**  
receptionist

On a beautiful day like this, I would spend it loving on my family, being with the ones I love and just chilling with a good beer.

**Preston Lehmann**  
student

I would be snowboarding with my friends and spend the night in a very nice cabin.

**Ryan Vernau**  
contract supervisor

I would spend the time with family and friends. If I was out here downtown grabbing a beer and a bite to eat, that would be lovely, but most important is getting to spend time with the people I love.
