## YEE-HAWIN' IN OUTER SPACE

For Los Angeles-based psych rock band **Spindrift** (pictured), there is more to music than touring and making albums. The band has produced two feature films and contributed to soundtracks for the likes of HBO's *East Bound & Down*, the Quentin Tarantino-produced *Hell Ride*, and Viceland's *Hamilton's Pharmacopeia*. The group cites classic western films as influences alongside bands like The Doors and My Bloody Valentine. We reckon you ought to get down to **Duffy's Tavern** this **Friday (March 6)**, after sundown. Local crew **WRVNG** opens.

**TIM FLANNERY AND THE LUNATIC FRINGE:** KZFR presents the former San Francisco Giants third base coach and bluegrass musician. Partial benefit for the Love Harder Project and KZFR. **Fri, 3/6, 7:30pm.** \$10-\$20.
