FREE WILL ASTROLOGY

FOR THE WEEK OF MARCH 19, 2020

BY ROB BREZSNY

We interrupt your regularly scheduled horoscopes to offer insights about the virus-driven turning point that the whole world is now experiencing. And while the coronavirus is the main driving force, it won't be the only factor. Here's the astrological lowdown: Throughout 2020, there's a rare confluence of three planets in Capricorn: Pluto, Saturn and Jupiter. They are synergizing each other's impacts in ways that confound us and rattle us. In the best-case scenario, they'll also energize us to initiate brave transformations in our own personal lives as well as in our communities. I encourage you to respond to the convulsion by deepening your understanding of how profoundly interconnected we all are and upgrading the way you take care of yourself, the people you love and our natural world. In the horoscopes below, I suggest personal shifts that will be available to you during this once-in-a-lifetime blend of planetary energies.
