

Valley Oak Children's Services

Strengthening Families in Butte County Since 1980

Although we closed to the public during the COVID-19 pandemic, our staff remained working and serving our community. Our team worked quickly to modify many of our programs into pop-ups and deliveries. Valley Oak Children's Services continues to provide services to families, Child Care Providers, and our community.

We would like to take this opportunity to say **THANK YOU** to the individuals organizations, and businesses who helped us these last few months. From monetary donations, grants, and donation of goods, to helping us acquire cleaning supplies, PPE, books, and art materials.

THANK YOU
