PARTY AT YOUR HAUS  
THIS YEAR

Let's be real: We all could use a beer. In normal years, the coming harvest season would provide its usual excellent excuse to raise glasses with the community at the biggest two-week-end party in Chico—Oktoberfest at **Sierra Nevada Brewing Co.** That kind of fun ain't happening during this shelter in place, but the hometown brewery is offering an opportunity for everyone to get together for a virtual prost during an **Oktoberfest Haus Party** on **Sept. 19.** There will still be live music (provided by The Polka Brothers and Empire Strikes Brass), but the party will be streamed online (register at [eventbrite.com](http://eventbrite.com)). You and your lockdown crew just have to stock up on beer and create whatever dirndl- and lederhosen-wearing, chicken-dancing fun you can at your haus.
