Select  
Real Estate, Inc.

September is National Preparedness Month (NPM), and  
CENTURY 21 Select recognizes the importance of disaster planning now and throughout the year.  
Disasters Don't Wait. **MAKE YOUR PLAN TODAY.**

## WEEK 1

September 1-5:  
**Make A Plan**

Talk to your friends and family about how you will communicate before, during, and after a disaster. Make sure to update your plan based on the Centers for Disease Control recommendations due to the coronavirus.

## WEEK 2

September 6-12:  
**Build A Kit**

Gather supplies that will last for several days after a disaster for everyone living in your home. Update your kits and supplies based on recommendations by the Centers for Disease Control.

## WEEK 3

September 13-19:  
**Prepare for Disasters**

Know the risk of disasters in your area and check your insurance coverage. Learn how to make your home stronger in the face of storms and other common hazards and act fast if you receive a local warning or alert.

## WEEK 4

September 20-26:  
**Teach Youth About Preparedness**

Talk to your kids about preparing for emergencies and what to do in case you are separated. Reassure them by providing information about how they can get involved.

For more info about any of the above plans, contact your CENTURY 21 Select Real Estate Agent or visit [www.ready.gov/september](http://www.ready.gov/september)
