## INK CAPITAL SOLUTIONS

Ink Capital Solutions supplies customized funding for your business venture, including loans to the cannabis industry.

ICS has the ability to fund businesses that more traditional leads may not through Working Capital and Bridge Loans, Multi-Family and Commercial Loans, and more. It can also save you time by having your loan or lease directed to the most appropriate funding source. A bank has one program, but Ink Capital Solutions has hundreds of programs available for their clients. These funding sources are monitored daily for the best interest rates and terms available.

Ink Capital Solutions will help determine the best financial route for your company's growth. And, once a lender is identified for your financial needs, ICS will help package the transaction, in accordance with the lender's requirements, in the fastest and most efficient manner possible.

"When the bank says no, we say yes." Get the funding you deserve from the solution specialist at Ink Capital Solutions.

## PLANT LOVE

Everyone is always welcome at Plant Love – regardless of your previous knowledge or the size of your plant collection. We are your home for houseplants and strongly believe that more plants equal more happiness.

Having faced hardship and challenges with chronic Lyme disease, owner Scott Peterson has proven what it really means to turn a negative into a positive and a challenge into an opportunity. His passion and knowledge for plants and pottery, plus his decades of experience, all come together in his beautiful store.

Plant Love Chico provides an amazing selection of houseplants, cactus and succulents, pottery, seminars, workshops, gifts and more. Peterson and his team offer expert plant care advice and can help you find the right plant for any space!

Come by to learn more, grow your plant family or just chat.

## PEARL CONSULTING

Did you know that your business's ongoing success comes from the relationships you build with customers who value who you are – not just what you sell or the service you provide?

Who you are isn't easily packaged in a standard concept, so Pearl Consulting collaborates to design marketing plans that authentically communicate with your ideal client. You know, the ones you wish you had more of. Maybe you had to pivot due to the pandemic or you just see the need to step your marketing up. How aware are you of the changes in consumer patterns that affect your target client?

Through quality online content, website and logo design, social media management and search engine optimization, people can find you, learn about you and connect with you. Pearl Consulting breaks digital marketing down into easy-to-understand terms with

actionable items to accomplish your goals. Call today to book your discovery meeting and start showing clients why they should choose you –instead of your competitor.

## HEMPFUL FARMS

Hempful Farms opened its doors in Chico with the goal of supplying the area with CBD-rich hemp products. It supplies head-to-toe CBD products for you, as well as CBD products for your pets. The range of products includes CBD oils and capsules, CBD muscle rubs and patches. It also carries a variety of dog and cat treats, as well as oils for your pets, to help with many issues.

Hempful Farms grows and manufactures all of its own hemp and CBD oils to deliver their full spectrum while retaining the naturally occurring synergistic cannabinoid and terpenes that provide your body with the all-natural medicinal benefits. Grown at the farm, all products are lab-tested to ensure that you're receiving the purest and most superior quality possible.

Staff at Hempful Farms loves to serve the Chico community and give as much

information and education on CBD as possible. For any hemp or CBD related questions, ask them on Instagram @hempful\_farms\_chico, call or visit the website.
