Adventist Health is pleased to welcome Parviz Talebi, MD, who is joining our family medicine team of experts.

Parviz Talebi, MD, has over 18 years of experience in providing family medicine care to patients. He brings a passion for treating patients with depression, diabetes, hypertension, obesity and more. Families benefit from Dr. Talebi's patient-centered approach and expertise.

Dr. Talebi has always had a desire to help others. When asked what he enjoys most about practicing medicine, he says, "It is an honor knowing that others place their trust in me to assist them in one of the most important aspects of life—their health."
