ART DAYS

PHOTO BY SECOND SATURDAY ARTIST KARMA BOYER

The **Chico Art Center** is owning the art scene these days. In addition to its usual rotating exhibitions—this month featuring the sculpture and print work of Andrea Bacigalupo (through June 26)—and schedule of art classes, the busy center is promoting various pop-ups and special events around town. Every Thursday, during

the downtown Thursday Night Market, the CAC hosts **Chico Artists Block**, with live art-making and art for sale, and on a monthly basis, the center is putting on a mini open studios tours, with **Second Saturday Art Walk** (June 11) and a **Second Sunday Virtual Visit** (June 12). Visit chicoartcenter.com for more info.
