mode of movement through this world, and across our mostly flat valley landscape rides a range of human-powered machines—from the kids bike with training push bar in Richard Baldy's "Parental Support" photograph, to the cruiser with baskets overflowing with colorful flowers in Rickmers' acrylic painting, "Wildflowers."

There are a variety of whimsical bike-as-art sculptures that break up the mostly 2-D exhibit and are the most immediately engaging objects in the space—including The Wayward Box's "Push Me – Pull You," which faces in both directions simultaneously.

The piece of the show,

"On the Spot," Judy Kane

however, might be the rumpled "Vintage Biker Jersey" by Nelson Wheeler. Suspended on the wall with an old hanger, the starched and painted brown, light-blue and yellow

piece of riding gear stands out. It hangs frozen in a road-worn state, perhaps after a challenging 100-mile ride among the wildflowers in the foothills of Butte County. □
