### EDITOR'S PICK

## BIG ROOM IS BACK

More than three years since the COVID pandemic stopped the music at the **Sierra Nevada Big Room**, Chico's premier concert venue is once again hosting shows. A couple have already quietly come and gone (comedy with Myq Kaplan, music with Paul Thorn), and in the coming month a couple more are on the calendar, starting with Chico blues-rock faves, **Big Mo & The Full Moon Band** on **July 27**. The following week, on **Aug. 2**, Los Angeles based psych-soul crew **Chicano Batman** (pictured) will likely pack the dance floor with their funky groove.
