

# We need your support

## Help us continue reporting on important issues

The Chico News & Review wants to ensure that our team of dedicated journalists can continue working through one of the worst economic and health crises of the past century. With your recurring or one-time contribution, the CN&R can continue our award-winning coverage on the topics that impact the residents of Butte County, including COVID-19, the arts, homelessness, the fight for equality, and wildfire recovery and prevention.
