THANK YOU  
PARTNERS

## FENTANYL: A DEADLY DOSE

Fentanyl and other drugs can cause overdose and even death.

Learn about these tools to help you or your loved ones stay safe. Support is available, treatment is available.

Learn the  
Signs of  
Overdose

Carry  
Naloxone

Test for  
Fentanyl

Never Use  
Alone

Consider  
Treatment

Consider help for substance use. Call Butte County Behavioral Health 24/7: (530) 891-2810
