The Amazing Sex Secret of 78 Year-Old 'Italian Stallion'

"My husband shocked me with more sexual passion than he's had in years. He took me in the bedroom like we were newlyweds and gave me a night I'll never forget"

The Inside Story on Great Sex!

This week I got a letter from a reader about a "little secret" that has made her sex life with her husband absolutely explosive! (Those Texas women are spicy!)

Tina writes:

Dear Karen,

For years my husband and I had a great love life. He was sexy, passionate and so confident. But when he reached his 50s, he started to struggle with getting and keeping an erection. The few times we did have sex, his erection was definitely softer, leaving us both unsatisfied. He tried every product out there; prescriptions, creams, testosterone, male enhancement pills... but nothing worked. I know this is terrible, but I found myself thinking "My strong, passionate husband has become a sexual weakling." I had no idea it would all turn around in just 3 weeks!

Last month, he came home from a business trip in Europe and shocked me with more sexual energy and passion than he's had in years. Hard as a rock, he tossed me around the bedroom like we were newlyweds' and gave me a night I'll never forget! It was incredible and so exciting!

He flat wore me out that night and it's been like that ever since. His erections are so hard and powerful, they trigger the most intense, toe-curling 'moments' I've ever had! So here we are, enjoying the best sex of our lives... in our late-50's!

When I asked my husband what caused such a dramatic change, he said on his trip he stayed in a hotel room next to an Italian nutritionist and his wife. Through the walls, he heard them passionately making love every single night, and sometimes again in the morning. One afternoon, he saw the husband leave their room and he couldn't believe it. The man looked much too old to be having so much sex.

My husband couldn't help himself, so he asked the

man his secret. The nutritionist smiled, introduced himself as Vito, and told my husband he was 78 years old, his wife 65, and that after 32 years of marriage, their sex life was as good as ever. Then he took a small pack of tablets from his satchel, gave it to my husband, and said "These come from a small town up north and are made from naturally pure plant extracts, packed with densely rich sexual nutrients. They will give you back the sex-drive you had when you were young, and make you harder than you can imagine." Then he laughed and said, "You'll become an Italian Stallion like me!"

Italian Stallion is right! These past several weeks have been a dream. My husband's desire for me is through the roof. He takes me whenever he wants, and he even wakes up most days with a 'morning salute' like he did years ago. I love it! He's a sexual powerhouse, beaming with confidence, and our marriage is stronger than ever.

Karen, here's why I'm writing you. The pack of tablets is about to run out and we desperately want more. I've looked everywhere but can't find them. Do you know anything about these tablets from Europe and how to get some here in the States?

Sincerely,
Tina C.,
Fort Worth, TX

Tina, you and the rest of my readers are in luck because I do know about these secret European sex tablets. Ever wonder why older men from Italy, Greece, Spain, and all over Europe are famous for staying energized, passionate and sexually active well into their golden years? Well, for decades, these men have relied on a unique blossom extract called Provarin to enhance their sexual performance and satisfaction.

Milled on the fertile northern plains, the key ingredients come naturally from pure extracts found along the Baltic Sea. Finely ground and pressed

into tablets, Provarin has a legendary reputation throughout the European sexual underground for naturally fueling extremely hard erections, and a powerful climax. As Giovanni from Amsterdam put it, "It's like sexual rocket fuel, especially for us older guys!"

The best part from a woman's perspective, as you well know, is that the extreme hardness and ongoing power is enough to send us over the blissful edge! I found out about Provarin a few years ago when I was dating a cowboy from Wyoming. He took Provarin every morning and believe me, that good ol' boy sure rocked my nights!

All-natural and safe to take, Provarin is still a well-kept secret for those in the know and they like to keep it that way. It's an old-school, family business and product is still harvested by hand twice a year. They don't have a website and don't do any advertising. They don't need to. Long-time customers and word of mouth ensures their limited stock is sold out every year.

They do have a distributor here in the U.S. When I reached out to them for this article, a spokesman said they were proud to produce the highest quality product for men and couples. He went on to say that if any of my readers call to place an order today and mention this article, they'll get a one-time 50% discount, plus 30 free tablets, and free shipping!

Wow, so there you go, Tina - and the rest of you readers! Just give them a call today and mention this article. The number is **1-800-864-2426**.

Aren't you glad you asked?
