FREE WILL ASTROLOGY

BY ROB BREZSNY

HERE ARE YOUR FORTUNE COOKIE-STYLE HOROSCOPES FOR THE NEXT FIVE MONTHS:

ARIES (March 21-April 19): **FEBRUARY:** You'll be invited to make a pivotal transition in the history of your relationship with your most important life goals. It should be both fun and daunting! **MARCH:** Don't waste time and energy trying to coax others to haul away the junk and the clutter. Do it yourself. **APRIL:** The growing pains should feel pretty good. Enjoy the uncanny stretching sensations. **MAY:** It'll be a favorable phase to upgrade your personal finances. Think richer thoughts. Experiment with new ideas about money. **JUNE:** Build two strong bridges for every rickety bridge you burn. Create two vital connections for every stale connection you leave behind.

TAURUS (April 20-May 20): **FEBRUARY:** You have access to a semi-awkward magic that will serve you well if you don't complain about its semi-awkwardness. **MARCH:** To increase your clout and influence, your crucial first step is to formulate a strong intention to do just that. The universe will then work in your behalf. **APRIL:** Are you ready to clean messes and dispose of irrelevancies left over from the past? Yes! **MAY:** You can have almost anything you want if you resolve to use it for the greatest good. **JUNE:** Maintain rigorous standards, but don't be a fanatic. Strive for excellence without getting bogged down in a counterproductive quest for perfection.

GEMINI (May 21-June 20): **FEBRUARY:** Be alert for vivid glimpses of your best possible future. The power of self-fulfilling prophecy is even stronger than usual. **MARCH:** High integrity and ethical rigor are crucial to your success—and so is a longing for sacred adventure. **APRIL:** How can you make the best use of your likability? **MAY:** Cheerfully dismantle an old system or structure to make way for a sparkling new system or structure. **JUNE:** Beginner's luck will be yours if you choose the right place to begin. What's a bit intimidating but very exciting?

CANCER (June 21-July 22): **FEBRUARY:** Your sensual magnetism peaks at the same time as your spiritual clarity. **MARCH:** You want toasted ice? Succulent fire? Earthy marvels? Homey strangeness? All of that is within reach. **APRIL:** Sow the seeds of the most interesting success you can envision. Your fantasy of what's possible should thrill your imagination, not merely satisfy your sense of duty. **MAY:** Deadline time. Be as decisive and forthright as an Aries, as bold as a Sagittarius, as systematic as a Capricorn. **JUNE:** Go wading in the womb-temperature ocean of emotion, but be mindful of the undertow.

LEO (July 23-Aug. 22): **FEBRUARY:** There's a general amnesty in all matters regarding your relationships. Cultivate truces and forgiveness. **MARCH:** Drop fixed ideas you might have about what's possible and what's not. Be keenly open to unexpected healings. **APRIL:** Wander out into the frontiers. Pluck goodies that have been off-limits. Consider the value of ignoring certain taboos. **MAY:** Sacrifice a small comfort so as to energize your ambitions. **JUNE:** Take a stand on behalf of your beautiful ideals and sacred truths.

VIRGO (Aug. 23-Sept. 22): **FEBRUARY:** Master the Zen of constructive anger. Express your complaints in a holy cause. **MARCH:** You finally get a message you've been waiting to receive for a long time. Hal-lujah! **APRIL:** Renew your most useful vows. Sign a better contract. Come to a more complete agreement. **MAY:** Don't let your preconceptions inhibit you from having a wildly good time. **JUNE:** Start your own club, band, organization or business. Or reinvent and reinvigorate your current one.

LIBRA (Sept. 23-Oct. 22): **FEBRUARY:** Be open to romantic or erotic adventures that are different from how love has worked in the past. **MARCH:** You'll be offered interesting, productive problems. Welcome them! **APRIL:** Can you explore what's experimental and fraught with interesting uncertainty even as you stay well-grounded? Yes! **MAY:** You can increase your power by not hiding your weakness. People

will trust you most if you show your vulnerability. A key to this season's model of success is the ability to calmly express profound emotion. **JUNE:** Wild cards and X-factors and loopholes will be more available than usual. Don't be shy about using them.

SCORPIO (Oct. 23-Nov. 21): Here are your fortune cookie-style horoscopes for the next five months. **FEBRUARY:** The world may finally be ready to respond favorably to the power you've been storing up. **MARCH:** Everything you thought you knew about love and lust turns out to be too limited. So expand your expectations and capacities! **APRIL:** Extremism and obsession can be useful in moderation. **MAY:** Invisible means of support will become visible. Be alert for half-hidden help. **JUNE:** Good questions: What do other people find valuable about you? How can you enhance what's valuable about you?

SAGITTARIUS (Nov. 22-Dec. 21): **FEBRUARY:** You'll have the need and opportunity to accomplish some benevolent hocus-pocus. For best results, upgrade your magical powers. **MARCH:** Make sure the turning point happens in your power spot or on your home turf. **APRIL:** You should be willing to go anywhere, ask any question and even risk your pride if necessary so as to coax your most important relationships into living up to their potentials. **MAY:** If at first you don't succeed, change the definition of success. **JUNE:** You can achieve more through negotiation and compromise than you could by pushing heedlessly ahead in service to your single-minded vision.

CAPRICORN (Dec. 22-Jan. 19): **FEBRUARY:** A new phase of your education will begin when you acknowledge how much you have to learn. **MARCH:** Initiate diplomatic discussions about the Things That Never Get Talked About. **APRIL:** Revise your ideas about your dream home and your dream community. **MAY:** You have the power to find healing for your oldest lovesickness. If you do find it, intimacy will enter a new Golden Age. **JUNE:** Solicit an ally's ingenuity to help you improvise a partial solution to a complex problem.

AQUARIUS (Jan. 20-Feb. 18): **FEBRUARY:** Start a new trend that will serve your noble goals for years to come. **MARCH:** Passion comes back into fashion with a tickle and a shiver and a whoosh. **APRIL:** As you expand and deepen your explorations, call on the metaphorical equivalents of both a telescope and a microscope. **MAY:** This is the beginning of the end of what you love to complain about. Hooray! **JUNE:** You'll have an abundance of good reasons to celebrate the fact that you are the least normal sign in the zodiac. Celebrate your idiosyncrasies!

PISCES (Feb. 19-March 20): **FEBRUARY:** You'll have a knack for enhancing the way you express yourself and present yourself. The inner you and the outer you will become more unified. **MARCH:** You'll discover two original new ways to get excited. **APRIL:** Be bold as you make yourself available for a deeper commitment that will spawn more freedom. **MAY:** What are the gaps in your education? Make plans to mitigate your most pressing area of ignorance. **JUNE:** Your body's ready to tell you secrets that your mind has not yet figured out. Listen well.

You can call Rob Brezsný for your Expanded Weekly Horoscope: (900) 950-7700. \$1.99 per minute. Must be 18+. Touchtone phone required. Customer service (612) 373-9785. And don't forget to check out Rob's website at realastrology.com.
