THE FAIR HOUSING ACT PROTECTS ALL OF US.

The Fair Housing Act became law in 1968. It prohibits discrimination in the lease, sale, rental and financing of housing based on race, color, religion, national origin, sex, familial status or disability. The state of Nevada also includes ancestry, sexual orientation and gender identity/expression protections.

If you would like additional information or, believe you have experienced housing discrimination, contact: Silver State Fair Housing Council

Funding for this announcement was provided by a grant from Washoe County in its effort to affirmatively further fair housing for all residents of the County.
