

SMART LANDSCAPING SAVES Water + Money

It's a win-win. Plant what thrives in the Truckee Meadows. You'll have peace of mind that your landscape is well-suited for our high desert climate.

Visit www.tmwa.com/landscape where you can select plants by sun exposure, type of plant, space requirement and more.

IT'S ONLY 30 MINUTES!

Join us at
The Truckee Meadows Earth Day Event
Mayberry Park
Sunday April 28 • 9 am to 3 pm

Go Green with Transit.

Taking public transportation can be 10 times more effective in reducing pollution than other household actions.

Join a Vanpool.

Relax on your way to work, meet new people and save money while you help the environment

Clean the Roads. Clean the Air.

Smart transportation choices reduce traffic congestion and greenhouse gases, slow climate change, and improve air quality and quality of life.

Transit. Bicycling. Carpool. Vanpool. Walking.
Learn more. Take action.
