A NOVA Science Café presented
by DRI and The Discovery

WATER, SCIENCE AND JUSTICE

Date: Wednesday, September 11 | Time: 7:00–9:30pm

Cost: \$10 members \$15 nonmembers

Location: Patagonia Outlet, 130 S. Center Street, Reno

Ages: Must be 21 or older (I.D. required)

Tickets: 775-786-1000, sciencedistilled.org, at the door

When you turn on the tap do you wonder if your water is safe to drink? If the water is contaminated by chemicals from pesticides and fertilizers, how will it be cleaned, and who should pay for that process? At this Science Distilled, our speakers will explore the legal and scientific facets of this problem, considering how we find justice for damage to our shared water resources.

Science Distilled, the lecture series created by DRI and The Discovery, makes cutting-edge science approachable through presentations on current and curious topics held at hip locations in a social atmosphere.
