# The Amazing Sex Secret of 78 Year-Old 'Italian Stallion'

*I was shocked by his energy and passion. He took me in the bedroom like newlyweds and gave me a night I'll never forget!"*

## A Secret Any Man Can Use!

This week I got a letter from a reader in Texas about a "little secret" that's made her sex life with her husband absolutely explosive! (Those Texas women tell it like it is!)

**Tina writes:** Dear Karen,

For years my husband and I had a great love life. He was sexy, passionate and so confident. But when he reached his 50s, he started to struggle with getting and keeping an erection. The few times we did have sex, his erection was definitely softer, leaving us both unsatisfied. He tried every product available: prescriptions, testosterone, enhancement pills... but nothing worked. I know this is terrible, but I found myself thinking "My strong, passionate husband has become a sexual weakling." I had no idea it would all turn around in just 3 weeks!

Well, last month, he came home from a trip in Europe and shocked me with more sexual energy and passion than he's had in years. Hard as a rock, he tossed me around the bedroom like newlyweds and gave me a night I'll never forget! It was incredible - and so exciting!

He flat wore me out that night and it's been like that ever since. His erections are so hard and powerful, they trigger the most intense, toe-curling 'moments' I've

ever had! So here we are, enjoying the best sex of our lives... in our late-50's!

On his trip he stayed next to an Italian nutritionist and his wife. Through the walls, he heard them passionately making love every single night, and sometimes again in the morning! One afternoon, he saw the husband leave their room and he couldn't believe it. He looked much too old to be having so much sex.

My husband couldn't help himself, so he asked the man his secret. The nutritionist smiled, introduced himself as Vito, and told my husband he was 78 years old, his wife 65, and that after 32 years of marriage, their sex life was as good as ever. Then he took a small pack of tablets from his satchel, gave it to my husband, and said "These come from a small town up north and are made from naturally pure extracts, packed with densely rich sexual nutrients. They will give you back the vigor you had as a young man and make you harder than you can imagine." Then he laughed and said, "You'll become an Italian Stallion - like me!"

Italian Stallion is right! The past few weeks have been a dream. My husband's desire for me is through the roof, he takes me whenever he wants, and most days he wakes up with a 'morning salute!' like he used to. I love it! He's a sexual powerhouse, beaming with confidence, and our marriage is stronger than ever.

Karen, the pack is now almost empty and we both desperately want more. I've looked everywhere but can't find them.

Do you know about these tablets from Europe and how to get some in the States?

Sincerely,  
Tina C., Fort Worth, TX

Tina, you're in luck. I do know about these secret European sex tablets. Ever wonder why older men from Italy, Greece, Spain, and all over Europe have the lowest use of ED drugs, but are famous for staying passionate and sexually active well into their 80's? For decades, these men have relied on a unique blossom extract, sold under the name Provarin, to enhance their sexual power and performance.

Milled on the fertile northern plains, and sold under the brand name Provarin, these pure extracts have a legendary reputation throughout the European sexual underground. As Giovanni from Amsterdam put it, "It's like sexual rocket fuel, especially for us older guys!"

The best part for women, as you well know, is that the extreme hardness and ongoing power is enough to send us over the blissful edge! I found out about Provarin a few years ago when I was dating a cowboy from Wyoming. He took Provarin every morning and believe me, that good ol' boy sure rocked my nights!

All-natural and safe, Provarin is a well kept secret for those in the know. An old school family business, product is still harvested by hand and they don't do advertising. They don't need to. Long-time customers and word of mouth ensures their limited stock is sold out every year.

As far as finding it in the States, I know of just one importer - Biotigen Naturals. When I reached out, a spokesman told me that any of my readers who call, and mention this article, will get a special one-time double-discount on a pack of Provarin, plus free priority shipping, AND A BONUS PACK OF 30 TABLETS FREE!

Wow, so there you go, Tina - and the rest of you readers! The number is **1-800-407-5308**.

Aren't you glad you asked?
