WE HEART YOU.

Our love letter to you: 15-minute light rail service on weekends.

Great News! SacRT is increasing light rail service on weekends from 30 minutes to 15 minutes during peak hours on the Blue and Gold lines.

This service improvement is just one of many customer initiatives that SacRT implemented over the last year. SacRT expanded service hours to Folsom light rail station, lowered fares, and brought back 25 cent transfer tickets.

Let SacRT take you where
you want to go more often!
