

ASKED AT ARDEN FAIR MALL:
Your ‘awkward date’ story?

MIGUEL QUIROZ
retail manager

We’re eating ... his phone rings and he’s like, “Oh it’s my mom, I don’t wanna be rude, let me just take this.” ... The server comes by [and] ... they’re like, “Should I get a to-go thing? They stepped out.”

ALEX 'DROZKI' LUQUYN
media producer

I forgot my wallet and literally, I just didn’t know what to do ... she paid for [dinner] and it worked out, but it was just a weird situation where I was embarrassed, very embarrassed.

COREY JENSEN
restaurant server

Out ... with a girl I met online, and in a matter of 20 minutes I ran into an ex of mine, and ... her ex approached us at the same time. ... I think it’s safe to say I didn’t see her anymore.

KIM JORDAN
counter manager

[He] goes, “Are you sure you’re the girl I met on the bus?” I’m like, “Yes, why are you asking me that?” He’s like, “Oh because you sound like a white girl ...” Now we’ve been together 35 years.

COLLEEN ADAMS
art business owner

This guy was super conservative, so I had taken him ... to a swimming hole, got naked and then took him to see this transgender movie ... it was very awkward for him.

NAOMI VICTORIO NELSON
project manager

So we’re talking on the phone and it was really awkward, he was sounding really strange ... I thought I hung up the phone when we were done, but the phone stayed off the hook and I started talking about him.
