Right now I've been listening to a podcast called *U Up?*—it's a relationship advice podcast. It's really interesting. [It's hosted by] Jordana Abraham and Jared Freid.

ALEX KOCH

They're called *The Nerd Crew* by Red Letter Media, [which] are these movie review people ... It's something I put on as background noise while I do stuff like draw.

ARIANA BAILEY
administrative assistant

I listen to NPR a lot. There's a podcast on Saturdays, *Wait Wait...Don't Tell Me!*—I love that one. I listen to a different couple others, mostly about health.

ANDREW VONWAL

The Daily [Show] with Trevor Noah: [Ears Edition] He just provides the news in a very interesting way, more of a comical and satirical way.

ANTONY NAVIDAD

Probably *Undisputed*. That's a sports radio show ... They do it usually every day on the weekday, so whatever was happening the day prior or that weekend.
